You know, not too far, actually. Good guess, but I'm more to the west. I'm from Galicia (more specifically, Southwestern Galicia.)

Here are my three guesses:

1. Turkey
2. Lebanon
3. Someplace in North Africa. I feel Algeria is most probable for that region.

Somewhere in the US

I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.
