Botswana man takes control of government via coup.

Alternate timeline where the French Republic does an oopsie and gets booted out of the mainland to be replaced by the semi-fascist nation of the French Popular State.

still figuring out what all the buttons at the top of this do

Botswana man burps, and the world no longer exists. The burp, however, is large enough to sustain life, and thus we get a new man.

New man, living in this burp world.

The taxi explodes because the taxi driver was not in the taxi, he was standing on the sidewalk, and on the drivers' seat was a mannequin and the taxi driver detonated the thing.
