I am addicted to fruit. Like, it's way to good for what it is. I need serious help. I am high on vitamin C and I can't stop eating fruit. I need help. Seriously, does anyone know where I can get help. I am like 80% fruit by now. Please help me now. This is urgent. If I don't stop eating fruit I will become fruit and someone else will eat me. It has me in its grasp and I can't escape it. What do I do? I just need fruit. Help me stop. I have a family. Fruit is too tasty and I will soon be tasty fruit too. Help

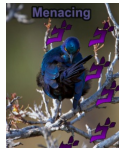

I have *no* idea what to do here. I mean, is there an AA-type place for people with a fetish for fruit? Did their parents really push it into them how big and strong they'd get if they ate fruit?

A socialist Latin American country going through a difficult phase in its history, dealing with an economic crisis, the ever-present threat of nations encroaching on its soil, and the rise of transnational drug cartels. A puppet of someone.
