Authoritarian plutocracy

The Immortal Pristine Revolutionary State of Ukraine

SUMMARY: An autocratic technocratic "utopia" with the best architecture and environment in the world, paid by the freedom of citizens.

What do we have to offer? A magnificent timeless architecture, weather-altering BS machines, a pristine environment, a strong military, and a death toll of 10 million from our concentration camps and bloody wars.

FOR EVERY BAD REPLY, A POLITICAL OPPONENT WILL BE SENT TO CHERNOBYL. 13 sent (don't get offended if you get chernobyl'd 'tis just a joke)

Lol didn't my flag make it clear with it's moving texts that we're a Sovereign Military Order? Lol.

Your flag make you looks like a combination of a Sultanate and Shogunate. Zen-Sunni Aesthetics like the novel Dune.
