Only posting because we're at 499 and I want to get it to 500. Haven't posted in the what are you listening to yada yada thread since like 2013 lol but I'm listening to [Tangerine Dream - Love on a Real Train \(State Azure cover\)](#), which is a fantastic cover of the main theme to that movie where Tom Cruise loses his virginity to a \$300/hr (adjusting for inflation \$909 in 2023) high-end call-girl.

I'm now listening to [Bizarre Love Triangle](#) by [New Order](#). When I was in Iceland back in February I did karaoke with a Ukrainian girl and this is one of the songs we did. Absolutely great song.

Now I'm listening to [I Follow Rivers \(The Magician Remix\)](#) by [Lykke Li](#).
Was in a club in Guadalajara at the end of February and heard this
banger once again, had been awhile, and now I haven't gotten it out
of my head for the last few months.

Now listening to [Erik Prydz's Call On Me](#). Prydz took Steve Winwood's Valerie and made it even better not only in terms of music but an incredibly sexualized music video, so that's pretty sweet (at least I think it is and I'm always right because I'm objective because I'm always right so therefore it is sweet). Went ahead and linked the radio edit though so I don't get in trouble with the moderation team.
