In the Great War (also known as the Second Brothers' War or the Three-Years' War), the Japanese Empire initially sided with the Habsburg-aligned Alliance, which included the British and Russian empires; in 1911, the final year of the conflict, Japan realigned itself with the North German-aligned Pact, which included France and Italy.

Much of their industry is based on agriculture with several sugar cane refineries in the north. Their total sugar cane production was over 7 million tonnes.

Everyone always uses the black market factbook...

Despite monitoring the black market extensively to prevent rebel groups from obtaining weaponry, the Imperial government rarely intervenes in the black market itself; this is because it allows the Empire to obtain nominally illegal goods – weapons components, body parts and organs, etc. for a heavy undercut of the market price for said goods were they obtained by legal means. This also allows for more secret acquisition of materials by the Empire for projects which are not public knowledge.

Uhh, other way around. We support the State of Palestine, we oppose the State of Israel. Unsure if you mistyped it, read it wrong, or I wrote it wrong..

Edit: Crap nvm my fault. We literally had a war against Israel, just for the record.

That makes more sense tbh, I was kind of confused with Palestine as your nation is a socialist one. (though in this universe, the Supranational Union supports a two state solution officially) ///skip///

The national animals of the Supranational Union are Xióngmāo the Panda and Teddy the Eurasian Brown Bear — likely symbols of the central importance of China and Russia within the SU.

They seem to have once been occupied ala-Tibet by Chinese administration; which, if the motive was the same, China probably had good reason to.

They once suffered Colonial Tyranny

https://www.nationstates.net/nation=bowa_sekooa/detail=factbook/id=main

Read this Novel style Factbook. Its unique because it is constructed like a fast paced crime novel or an exhilarating Vice documentary. It has poor formatting, I know.

But just give it a chance. For me.

Read it once. The writing ain't that bad!

The writing is what counts.

PS: It's filled with lots of exciting action, guns, drugs, civil war and stories of hard men. Ignore the bad formatting.
