Nasum - Unchallenged Hate [Napalm Death Cover]

Excellent cover. Kinda funny how the longest Nasum songs are covers.

Natalia Barbu - Fight

Moldovan rock from Eurovision song contest 2007. I don't even know why I still have this one around. I don't usually download/keep songs if they are 4/5 and they are the only track I got from the said artist. I guess it's just for the sake of nostalgia, since 2007 is the year when I started to look for a LOT more music.
