[Baroness - Wailing Wintry Wind](#)

Oterro knows this band better than YouTube. The top results for them (just searching 'Baroness') mostly suck, but the four songs listed in his friendly retort aren't all that horrible. Still not my cuppa, but I'll admit to being wrong about the vocalist, at least ;)

We were supposed to get snow all week last week (There was a chance every day), and we only got snow like, one day....Another day it seemed to snow a decent amount, but for whatever reason it didn't really seem to accumulate. I was disappointed, actually. It's pretty much gone now

Did you like the others I sent, too? Like I said, I enjoy the guitar work in post-rock a lot.
