Or at least i hope that's what it means since these days you can't trust google translate. For all I know I could be saying "Your mother was a hamster and your father smelt of elderberries!" PS: If you get that reference then you are very cultured.

why you should join the monkeys

1. you get to touch grass I know you get to beat: try to touch grass 99% challenge impossible the

2. your iq increases rapidly why? easy is because humans are social animals and 1 person's iq is a lot smaller then 10 peoples iq combined

3.is monkeys are cool
