[Rammstein- Sonne.](#) By far my favourite Rammstein song.

"Classicist in literature, royalist in politics, and Anglo-Catholic in religion" (T.S. Eliot). Still, unaccountably, a NationStates Moderator.

Good Morning from Singing in the Rain.

The song I sing whenever I don't wake up hungover (which is always).

Read "A Man For All Seasons". That explains most of what I believe in. Except the Catholic bits.

Outside of here I do lead a rather unusual and colourful life. As a Spinster.

I just want a nice man with a good accent and the manners of a Royal.

British, a really cliché G in LGBTQ gentleman a lot of the time.
