Skrillex-With You, Friends {Long Drive}. Probably my favorite Skrillex song.....and the least Dubstep Skrillex song I've heard.

Roman Bird Dog, Melvins.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

My mom wanted to hear some Mastodon so I decided to start her off with something simple.
