Cornlind's faith, Garlic Bread, makes we want to think the birthplace of this divine food. Or religion rather. But chicken nugget currency confirms that Cornlind is indeed in America. Their factbooks indicate the depraved, ruthless life of a raider (but the personalized badges, or feathers, they made to commend their raids are hella rad). Depravity? America? I can think of only one place. Detroit.

Edit: Sorry, I didn't notice Vashty posted before me. I'd guess that, based on the fact that his (super sweet) drum performance was in a video posted by SICK UK BAND from a performance in Liverpool, I'd have to guess somewhere near Liverpool! Rock on, shaka brah. That music is sweet.

Unfortunately, I am a 'murican. Though a British accent would be sick. Not going to lie but I was considering going to a university out of the country to acquire an accent. Accents are so beautiful. I totally don't have an unhealthy obsession with accents or anything though haha. Pls dont judge.
