I know them! And they post quite often in F7, so I'd say they're somewhat well known, as they have a lot of posts.

I've seen Drongonia before but not an excessive amount, so I'd say it's slightly well-known but also largely unknown.

So this is a signature huh? Always wondered how people got this, turns out I am an idiot. I'm Uponda, and Sincerely I'm in Tears.

Pretty well known

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

They are very well known amongst F7 users

Freedom fighters according to themselves, a dangerous terrorist organization to the Federation
Disseminating a corrosive ideology amongst the corrupt Cygnus Federation
Piracy since even before founding, nothing says good times like space scurvy
Some good fun, that doesn't represent my views, but I would hope you could discern that yourself
