... 3/10, I'll say. This is a really tough one. So much black in the colour scheme is just the sort of thing people use to imply "pure evil," but on the other hand it's a Nordic flag expy and it lacks the usual complementary red that makes it a dead giveaway, instead bearing a pleasant cyan. But ultimately I guess black is also the colour of strength and sticking to your own principles, regardless of ideology, as well as the colour of getting business done and done well.

7/10. The colour scheme looks very evil with the exception of the seal in the middle, which ironically gives it a noble, regal appearance despite being communist in nature.

6/10.

The flag itself doesn't look evil, but I feel like it's the kind of flag to be used by some less than savory characters.

7/10,

Looks nationalistic to me. Not sure why, probably because what looks like the continent is centered.. So I'd imagine their conservative/xenophobic. Just a shot in the dark.

Cool flag imo
