Elton John - Healing Hands
From *Sleeping with the Past* (1989)

*I never dreamed, I could cry so hard
That ain't like a man
I could fly like a bird some days
Had a place where I could land*

*I could have sworn, we were all locked in
Ain't that what you said
I never knew it could hurt so bad
When the power of love is dead*

*But givin' into the nighttime
Ain't no cure for the pain
You gotta wade into the water
You gotta learn to live again*

*And reach out for her healin' hands
Reach out for her healin' hands
There's a light, where the darkness ends
Touch me now and let me see again
Rock me now in your gentle healin' hands*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

Axegressor - Axegressor

*There's no way we can triumph
We will never hit the charts
Yet we want to rely on our faith
As we are dealt these metal cards*

We're not awesome or too handsome

We can't show off with our looks
We don't really give a fuck
What's written in the trendy books

Eric Clapton - Tears in Heaven
From *Music from the Motion Picture Soundtrack Rush* (1992)

*Would you know my name
If I saw you in heaven?
Would it be the same
If I saw you in heaven?*

*I must be strong
And carry on
'Cause I know I don't belong
Here in heaven*

*Would you hold my hand
If I saw you in heaven?
Would you help me stand
If I saw you in heaven?*

*I'll find my way
Through night and day
'Cause I know I just can't stay
Here in heaven*

Bon Jovi - You Give Love a Bad Name
From *Slippery When Wet* (1986)

*Paint your smile on your lips
Blood red nails on your fingertips
A school boy's dream, you act so shy
Your very first kiss was your first kiss goodbye*

*Whoa! You're a loaded gun
Whoa! There's nowhere to run
No one can save me
The damage is done*

*Shot through the heart and you're to blame
You give love a bad name
(Bad name)
I play my part and you play your game
You give love a bad name
(Bad name)
You give love, oh!*

Avicii - The Nights

From *The Days / Nights* (2014)

*Hey, once upon a younger year
When all our shadows disappeared
The animals inside came out to play
Hey, when face to face with all our fears
Learned our lessons through the tears
Made memories we knew would never fade*

*One day my father—he told me,
"Son, don't let it slip away"
He took me in his arms, I heard him say,*

*"When you get older
Your wild life will live for younger days
Think of me if ever you're afraid."*

*He said, "One day you'll leave this world behind
So live a life you will remember."
My father told me when I was just a child
These are the nights that never die
My father told me*

U2 - Breathe

From *No Line on the Horizon* (2009)

*Sixteen of June, Chinese stocks are going up
And I'm coming down with some new Asian virus
Ju Ju man, Ju Ju man
Doc says you're fine, or dying
Please
Nine-oh-nine, St. John Divine on the line, my pulse is fine
But I'm running down the road like loose electricity
While the band in my head plays a striptease*

*The roar that lies on the other side of silence
The forest fire that is fear so deny it*

*Walk out into the street
Sing your heart out
The people we meet
Will not be drowned out
There's nothing you have that I need
I can breathe
Breathe now*

Ariana Grande - Break Free

From *My Everything* (2014)

*If you want it, take it
I should have said it before
Tried to hide it, fake it
I can't pretend anymore*

*I only want to die alive
Never by the hands of a broken heart
I don't wanna hear you lie tonight
Now that I've become who I really am*

*This is the part when I say I don't want it
I'm stronger than I've been before
This is the part when I break free
'Cause I can't resist it no more*

Sabaton - Coat of Arms From *Coat of Arms* (2010)

*At dawn envoy arrives, morning of October 28th
No day proven by deed, descendants of Sparta, Athens and Crete
Look north, ready to fight, enemies charge from the hills
True arms facing defeat, there's no surrender, there's no retreat*

Time after time, force their enemies back to the line

*Call to arms, banners fly in the wind
For the glory of Hellas
Coat of arms reading Freedom or Death
Blood of King Leonidas*

Elton John - The Last Song From *The One* (1992)

*Things we never said come together
The hidden truth no longer haunting me
Tonight we touched on things that were never spoken
That kind of understanding sets me free*

*'Cause I never thought I'd lose, I only thought I'd win
I never dreamed I'd feel this fire beneath my skin
I can't believe you love me, I never thought you'd come
I guess I misjudged love between a father and his son*

Tony Bennett - How Do You Keep the Music Playing?
From *The Art of Excellence* (1986)

*How do you keep the music playing?
How do you make it last?
How do you keep the song from fading too fast?
How do you lose yourself to someone?
And never lose your ways
How do you not run out of new things to say?
And since we're always changing
How can it be the same?
And tell me how year after year
You're sure your heart will fall apart
Each time you hear his name
I know the way I feel for you
It's now or never
The more I love the more that i'm afraid
That in your eyes I may not see forever..
Forever...*

*Black legions of Satan are marching
Death's vermin are spreading the plague
Archaic fires are burning black with hate
Behold! Death, destruction and decay*

Just found out that this is actually a cover of a Vultyr song.

Aretha Franklin - I Say a Little Prayer From *Aretha Now* (1968)

*The moment I wake up
Before I put on my makeup
I say a little pray for you
While combing my hair now
And wondering what dress to wear now
I say a little prayer for you*

*Forever and ever, you'll stay in my heart
And I will love you
Forever and ever, we never will part
Oh, how I love you
Together, forever, that's how it must be
To live without you
Would only mean heartbreak for me*

Oasis - I'm Outta Time From *Dig Out Your Soul* (2008)

*Here's a song
It reminds me of when we were young
Looking back at all the things we'd done
You gotta keep on keeping on*

*Out to sea
It's the only place I honestly
Can get myself some peace of mind
You know it's getting hard to fly*

*If I'm to fall
Would you be there to applaud
Or would you hide behind them all?*

*'Cause if I am to go
In my heart you'd grow
And that's where you belong*
