CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Artist: Bring Me the Horizon, Rahzel

Song: heavy metal

Genre: Alternative Rock, Alternative Metal, Alt-Pop, Hip-Hop
2019 | South Yorkshire

*And I keep picking petals
I'm afraid you don't love me anymore
'Cause a kid on the 'gram in a Black Dahlia tank
Says it ain't heavy metal*

When songs are coming out making commentary on something you can only relate to and understand because you grew up during a very specific moment in time - that's when you know you're getting old. It also feels strangely validating. I feel like I will never not have a special connection with people who were teenagers in 2010s and spent a lot of time listening to Warped Tourcore.

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

The West won the world not by the superiority of its ideas or values or religion ... but rather by its superiority in applying organized violence. Westerners often forget this fact; non-Westerners never do.
--S. Huntington

The most fundamental problem of politics is not the control of wickedness but the limitation of righteousness.
