"I've always been leery of the United Nations. The very concept is comically dichotomous. Nations putting their self-interests aside in the hopes of building a global community, holding hands and Kumbaya? I mean, honestly, it's like kindergarten. Do you have rug time? I did love rug time."

This nation has been discontinued and replaced (in the Aision Prime continuity at least) by The Eutaxis.

No, this nation and its flag is *NOT* based off Minecraft, Terraria, or anything of the sort. I made the flag using an app on my phone (...and ran out of space). Please stop making relations to such, as it has become highly irritating to be compared to such. The art is of my own creation, and of my own ideas, not from a pre-existing game. Thank you.

The whole thing looks more like a ancient banner than a modern flag. Because its hard to assert the "evilness" of an ancient civilization I'm going to go in a neutral 5/10. Not evil but not completely good.

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.
