I haven't seen anime anywhere in the forums. Though, I guess thats just because I ain't actively looking for it.

Ah, the corporation! Lovely ain't it! A inherently autocratic organization blindly worshipped by nimwits worldwide as a force of freedom. Somehow not understanding it merely heralds the return of statist control under a different name. Ejya might not have much loyalty to it, but an opportunity to get on top is always welcome and to do it under the 'guise' of upholding liberty makes it all the more sweeter.

AFRIKAN STAAT

It is an apocalyptic total war of survival. A death crusade between two forces: that of the White race against the Serpent. Only one side will win and inherit all of Africa, for the other will be utterly and completely annihilated.
