Thulcandra - "Night Eternal"

Melodic Black Metal from the album "Fallen Angel's Dominion" (2010)

I was thinking to myself that on this album the vocalist sounds very much like the vocalist from *Obscura*... turns out it is the same guy. I didn't pick this up on their later release because he seems to have changed his style slightly.

Elton John - Circle of Life

[Live performance, 1999](#)

*Some of us fall by the wayside
And some of us soar to the stars
And some of us sail through our troubles
And some have to live with the scars*

*There's far too much to take in here
More to find than can ever be found
But the sun rolling high through the sapphire sky
Keeps great and small on the endless round*

*In the circle of life
It's the wheel of fortune
It's the leap of faith
It's the band of hope
Till we find our place
On the path unwinding
In the circle, the circle of life*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary.

Impossible is nothing.

Toto - Africa

[Live performance, June 28, 2015](#)

*The wild dogs cry out in the night
As they grow restless, longing for some solitary company
I know that I must do what's right
As sure as Kilimanjaro rises like Olympus above the Serengeti
I seek to cure what's deep inside, frightened of this thing that I've become*

*It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
Gonna take some time to do the things we never had*

Megadeth - Set the World Afire

*Distorted figures walk the street, it's 1989
Weeds once underneath your feet have grown to vines
Bodies melted like a candle, a land without a face
No time to change your fate, no time left, it's too late
The arsenal of megadeth can't be rid they said
And if it comes, the living will envy the dead
Racing for power, and all come in last
No winning first stone cast
This falsehood worldly peace
It's treaties soon will cease
No one will be left to prove that humans existed
Maybe soon the children will be born open-fisted
We all live on one planet it will all go up in smoke*

*They say that these are not the best of times
But they're the only times I've ever known
And I believe there is a time for meditation in cathedrals of our own
Now I have seen that sad surrender in my lover's eyes
And I can only stand apart and sympathize*

*For we are always what our situations hand us
It's either sadness or euphoria
And so we argue and we compromise
and realize that nothing's ever changed
For all our mutual experience, our separate conclusions are the same*

Billy Joel - Lullabye (Goodnight, My Angel)
From *River of Dreams* (1993)

*Goodnight, my angel
Now it's time to dream
And dream how wonderful your life will be
Someday your child may cry
And if you sing this lullabye
Then in your heart
There will always be a part of me*

*Someday we'll all be gone
But lullabyes go on and on
They never die
That's how you
And I
Will be*

*The cold remains of what began with a passionate start
And they may not want it to end
But it will it's just a question of when
I've lived long enough to have learned
The closer you get to the fire the more you get burned
But that won't happen to us
Because it's always been a matter of trust*

Ringo Starr - Walk with You
From Y Not (2010)

*No man is an island who has been in love
Bringing understanding every push and shove
Just as fundamental as the stars above
It is benefiting every hand in glove
And you tell me it's a cold day in hell when you surrender
For love and a chance to remember
What we have to hold is more silver and gold*

*When I walk with you
When I talk with you
Everything will be fine
When I walk with you
When I talk with you
Everything will be fine
Will be fine*

Nirvana - Lake of Fire

They go to the lake of fire and fry

U2 - In a Little While
From Elevation 2001: Live from Boston (2001)

A man takes a rocket ship into the skies

Ed Sheeran - Photograph
From x (2014)

Where our eyes are never closing
