KN News: War on the horizon as Qveiti military leaders refuse to withdraw naval vessels from Greek waters despite Turkish demands and statements that it is disrupting peace. This follows a request by Greece for the KNAN to station a carrier group in the Aegean to assist Greek Air Force in patrolling it's air space. NATO has yet to comment but urges restraint by both Greece, Kaliitnuunati and Turkey.

I don't seem to remember them, but considering they have a considerable amount of posts, I think they may be decently well-known, although not a name that is especially popular.
