George Harrison - Got My Mind Set on You
From *Cloud Nine* (1987)

*I got my mind set on you
I got my mind set on you
I got my mind set on you
I got my mind set on you*

*But it's gonna take money
A whole lotta spending money
It's gonna take plenty of money
To do it right, child*

*It's gonna take time
A whole lot of precious time
It's gonna take patience and time, umm
To do it, to do it, to do it, to do it, to do it
To do it right, child*

*I got my mind set on you
I got my mind set on you
I got my mind set on you
I got my mind set on you*

Impossible is just a big word thrown around by small men who find it easier to live in the world they've been given than to explore the power they have to change it. Impossible is not a fact. It's an opinion. Impossible is not a declaration. It's a dare. Impossible is potential. Impossible is temporary. Impossible is nothing.

The Beatles - I've Just Seen a Face
From *Help!* (1965)

*I have never known the like of this
I've been alone and I have missed things
And kept out of sight
For other girls were never quite like this
La, di, di, da di di*

*Falling, yes I am falling
And she keeps calling
Me back again*

And she keeps calling
Me back again*

Paul McCartney - Lovely Rita
[Live performance, November 21, 2013](#)

*Lovely Rita meter maid
Lovely Rita meter maid
Lovely Rita meter maid
Nothing can come between us
When it gets dark I tow your heart away*

*Standing by a parking meter
When I caught a glimpse of Rita
Filling in the ticket in her little white book
In a cap she looked much older
And the bag across her shoulder
Made her look a little like a military man*

*Lovely Rita meter maid
May I inquire discreetly
When are you free to take some tea with me?

I'm listening to *Obama's Complete Victory Speech* by Alphacat.

You'd better believe I'm a bitter [Bernie Sanders](#) supporter. The Dems fucked up and fucked up hard. Hopefully they'll learn that neoliberalism and maintaining the status quo isn't the way to win this election or any other one. I doubt they will, though.

Foo Fighters - Under Pressure
[Live performance, September 5, 2015](#)

*Pressure pushing down on me
Pressing down on you, no man ask for
Under pressure that burns a building down
Splits a family in two
Puts people on streets*

*It's the terror of knowing what this world is about
Watching some good friends screaming, "Let me out!"
Tomorrow gets me higher
Pressure on people, people on the streets*

Featuring John Paul Jones of Led Zeppelin and Roger Taylor of Queen.

Elton John - Rocket Man (I Think It's Going to Be a Long, Long Time)
[Live performance, 2012](#)

*She packed my bags last night pre flight
Zero hour nine a.m.
And I'm gonna be high, as a kite by then
I miss the earth so much, I miss my wife
It's lonely out in space
On such a timeless flight*

*And I think it's gonna be a long long time
Till touch down brings me round again to find
I'm not the man they think I am at home
Oh no, no, no, I'm a rocket man
Rocket man burning out his fuse up here alone*

*And I think it's gonna be a long long time
Till touch down brings me round again to find
I'm not the man they think I am at home
Oh no, no, no, I'm a rocket man
Rocket man burning out his fuse up here alone*

Paul McCartney - The Night Before
[Live performance, May 10, 2012](#)

*We said our goodbyes, ah, the night before
Love was in your eyes, ah, the night before
Now today I find you have changed your mind
Treat me like you did the night before*

*Were you telling lies, ah, the night before?
Was I so unwise, ah, the night before?
When I held you near you were so sincere
Treat me like you did the night before*

*Last night is a night I will remember you by
When I think of things we did it makes me wanna cry*

One Direction - Drag Me Down
Single (2015)

*If I didn't have you there would be nothing left
The shell of a man that could never be his best
If I didn't have you I'd never see the sun
You taught me how to be someone
Yeah-eah*

*All my life you stood by me
When no one else was ever behind me
All these lights, they can't blind me
With your love nobody can drag me down*

Paul McCartney - Early Days
From New (2013)

*May sweet memories of friends from the past
Always come to you, when you look for them
And your inspiration, long may it last*

Democratic Socialists

May it come to you, time and time again

Now everybody seems to have their own opinion
Who did this and who did that
But as for me I don't see how they can remember
When they weren't where it was at

And they can't take it from me if they try
I lived through those early days
So many times I had to change the pain to laughter
Just to keep from getting crazed

I lived through those early days

U2 - Please

[Live performance, December 2, 2001](#)

So you never knew love until you crossed the line of grace
And you never felt wanted till you'd someone slap your face
So you never felt alive until you'd almost wasted away

You had to win, you couldn't just pass
The smartest ass at the top of the class
Your flying colours, your family tree
And all your lessons in history

Please, please, please
Get up off your knees now
Please, please, please
Leave it out

Tell me why
