Ittonia, an island at the northernmost of the north sea experiencing great history, and culture

From the Prussian colonization era to the discovery of Haeven (Now dying) This nation developed itself and doesn't hesitate continuing! Now, we're trying to do our best in this great world. (Even though it doesn't always work out, LOL)

So now, we honorably sign this post in the name of our nation: The Republic of Ittonia

4/10, slightly less than the intended 6 or 7/10, due to the fact the flag looks like it was drawn by the nation's children.

Our nation is Poland, but there was a great Nazbol revolution, which overthrew the PZPR and freed Poland from USSR, in 1993. The Iron Curtain still exists, but it has changed its borders.
