2/10. The flag being split into four quadrants makes me think of multiple cultures unified under one banner, though I didn't peak at your nation, so I could be way off here lol

6/10. The flag (and the name as well) made me think of the Aztecs, which did a lot of questionable stuff for their gods.

5.5/10, it could go either way. Maybe just a wholesome republic to a outright Axis-aligned military junta. Who knows, really.
