Hello, Gandoor! While I have never used the foe system myself, given that apparently it has some sort of 'bypass ignore' function (since you read my posts anyway) it must at least show the existence of a post by a foed user. In the future, consider waiting until the AN is *not* one of the fifty-odd people you have admitted to having on (soft) ignore. You have been on the NS forum for thirteen years: you are old enough to understand common courtesy.
