War Pigs by Black Sabbath.

This song keeps playing in my head whenever i'm bored or see/hear about war.

*General's gatherd in their masses
Just like witches at black masses
Evil minds that plot destruction
Sorcessers of death construction
In the fields of bodies burning
As the war machine keeps turning
Death and hatred to mankind
Poisoning their brainwashed minds
OH LORD YEAH!*

Well, I'm currently memorizing every single note in the soundtrack to *Star Wars: The Last Jedi*, and attempting to sing scream along with every single section in the orchestra.

Who knew a human can't sing full chords all at once?
