Ghost by Ella Henderson

Nation no longer reflects my actual views. And I don't do the above nation games anymore, so I can probably get rid of that disclaimer.

If I cross a line, telegram me. Chances are, I didn't realize it.

Asche - *Goldenday (Version)*

**CVT Temp wrote:**  
I mean, we can actually create a mathematical definition for evolution in terms of the evolutionary algorithm and then write code to deal with abstract instances of evolution, which basically equates to mathematical proof that evolution works. All that remains is to show that biological systems replicate in such a way as to satisfy the minimal criteria required for evolution to apply to them, something which has already been adequately shown time and again. At this point, we've pretty much

proven that not only can evolution happen, it pretty much must happen since it's basically impossible to prevent it from happening.

Cozz - Dreams

*"I'd rather go comic and go to Gotham  
And meet with Batman and start robbin'  
Killin' get started, heart throbbin' be cautious  
If you come across this instrumental's carcass  
It may leave you nauseous"*

Damn, that's pretty good.
