Nemo - Nightwish

Genre: Symphonic Metal
Album: Once

The second Nightwish song I've heard in my life, first one with Tarja doing the vocals. Been a huge Nightwish fan since.

My favourite classical piece. Overly simple and repetitive, but that's what makes it great. ☐

White Night Fantasy - Nightwish

Genre: Symphonic Metal

Interesting side of Tarja's voice, her runs through the verses are pretty different from how she normally sings her lines.
