Here's your Reminder that **Hamas** are **TERRORISTS** **Palestine** is an independent nation due to the Partisan resolution and **Israel** is attacking Terrorists (Palestine has done nothing wrong as of the current moment all of you seem to be uneducated of that.)

You're all going to hell goodbye!

The accounts relating to it in Rhanukhan's own factbooks are deliberately vague as the people of Rhanukhan are unaware of many details regarding the island. As such I've established it as a separate nation in order to provide greater insight through its own factbooks.
