Stratocratic Constitutional Monarchy

Note: Many factbooks are in a constant state of WIP or being considered for entire rework or deletion

Welcome to The Alpes a Septentrionali Imperium, a nation where I brutalize and adapt Latin and French History to my needs to get my Ultraroyalist Absolutist French Monarchy with a vaguely French-sounding fictional royal family to work.

Don't ask about the flag, it has something to do with RMB RP that I'm involved with.

Federal - there are two entities in the photo, governed by two completely separate brains  
Presidential - when we are kids, tall people were the authority so the taller red person is the head of state and the purple is the head of government. The red person looks like she would run everything  
Republic - idk
