"Dusk" - Lör

Are these "human rights" in the room with us right now?

Professional pessimist. Reactionary socialist and gamer liberationist. Coffee addict. Fun at parties

Freedom is when people agree with you, and the more people you can force to act like they agree the freer society is

You are the trolley problem's conductor. You could stop the train in time but you do not. Nobody knows you're part of the equation. You satisfy your bloodlust and get away with it every time

Glenn Frey - You Belong to the City

*'Cause you belong to the city
You belong to the night
Livin' in a river of darkness
Beneath the neon lights
You were born in the city
Concrete under your feet*

*It's in your moves, it's in your blood
You're a man of the street*
