Akiko Shikata - *Arcadia*.

Since Lillorainen's geography is currently being overhauled a 'tiny' bit, most information on it posted before December 12, 2018, is not entirely reliable anymore. Until there's a new, proper factfile, everything you might need to know can be found [here](#). Thank you. [#RetconOfDoom](#) (Very late update, 2020/08/30 - it's still going on ...)

Thunderstruck-AC/DC.

America-Modern is a nation created with the intent to accurately portray and roleplay how the United States acts in the modern era. We do not use NS-Stats, instead we use real-life stats. This nation was brought to you by the guy who made USA-1980s.

The West won the world not by the superiority of its ideas or values or religion ...
but rather by its superiority in applying organized violence. Westerners often
forget this fact; non-Westerners never do.
