Joe Bonamassa - Chains & Things

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

Madeon - Love You Back

My favourite artist has released another unreleased song from his previous album today, and my god it was worth being teased with it at his live shows. :catjam:

**Imperial States of Duotona**

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the people of Duotona persist and have given the nation a voice from which it preaches the word of peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.

B-52s, Dance This Mess Around

"...the Republican strategy of disenfranchisement is a state-by-state strategy. It looks like judicial rule where they cannot win. Where they cannot win by judicial rule, they will rule by procedural theft. Where they cannot convince voters to vote for them, they will convince the candidate they voted for to become one of

them." - [Tressie McMillan Cottom](#) | "...now you have someone sitting on top of the personal data of several billion users, someone who has a long track record of vindictive harassment, someone who has the ear of the far right, and someone who has just shown us his willingness to weaponize internal company data to score political points. That scares me a lot." -- [Marcus Hutchins](#)\*
