A fairly large tribal nation which hasn't been welcoming to outsiders, until recently. Tech level: Modern Tech.

NS stats aren't canon. Neither is my current flag (It's a Ukraine variation of the [canon one](#)).

The image on the Wikipedia article for the "Uncanny Valley"

Fyddin is a kind yet isolationist nation with a Parliament, Grand Court, and Jarl which serves a presidential role. Though laws may be strict, all decisions are made for the average benefit and safety of the citizens. The fishing trade is thriving, weed is legal, and the people are happy.
