Quicksilver Messenger Service - *Fresh Air*

CYNIC, n. A blackguard whose faulty vision sees things as they are, not as they ought to be. Hence the custom among the Scythians of plucking out a cynic's eyes to improve his vision.

just had a bit of a listen to that venetian snares stuff and

venetian snares - abomination street has it's moments especially early on with the snippets of the coronation street theme

on a different note though(not so experimental)

adam ben ezra -beyond the wall is a lovely bit of jazzy stuff

New Order - *The Perfect Kiss* 12" version

Hey hey, LP here: Too burnt out with this nation to make new lore or fix macrohistorical *longue durée* alt-his inconsistencies, too clingy to let it die.

Electric Light Orchestra - *Mr. Blue Sky*

[The United Settlements of Sitka - the land of friendly vampires, camaraderie, and cloudberry pie](#)

A small corner of the world in 1872. Set in the world of the video game *80 Days*, with supernatural beings mixed in. Several factbooks need to be redone.

I'm socially awkward sometimes, and bad at keeping up with things due to life's hecticness, so I might not always be the best at roleplays etc.

The Times: Englishman Phileas Fogg departs London, having bet £20,000 that he can circumnavigate the globe in 80 days.

Local News: Karl Marx visits Sitka, is "impressed".
