You're not in trouble or anything like that. It's just that we at the NSA will be keeping a closer eye on you due to recent anti-government attitudes you've been openly expressing. If you're not doing anything illegal you have nothing to fear.

That soundtrack is huge. Sure, it has some Oblivion and Morrowind music on it, I think, but geez.

Nevertheless, it is a fantastic OST, one of my favorites.

The Skyrim theme itself is a remake of the Morrowind theme.

[Woods of Ypres - "Falling Apart"](#)

Morrowind, Oblivion, and Skyrim main themes are all similar in some ways. I still think the Morrowind one is the best theme.
