A tiger prevents Slasher man from committing another murder but since he committed a crime under the constitution, Tiger gets sentenced to 69 years in prison.

The man gets a sponsorship from Taco Bell to keep doing what he's doing.

This nation is modeled on being my absolute worst dystopia imaginable. In no way do the Annihilators reflect my opinions, in fact I am totally against almost every single policy they enact.

I support insanely high tax rates, do you?
