Why would we? They would eat us, you know!

Imagine a mussel uprising happening in a coastal city that quickly takes over all of its Metropolitan area. That's basically Mejillonia in a nutshell.
In case you don't know, this is indeed FSS.

Namely

this.

And also probably

these.

Unlikely

Looks like a chill place, sure.

We do not use NS Stats, policies, or otherwise. Plesse only judge us by what is in our factbooks.

A maritime city-state and former British colony located in the Sea of Japan. Notable features include a unique Anglo-Japanese culture, a powerhouse economy driven by banking, tourism and trade, strict laws concerning cleanliness and car ownership, and Swiss-style direct democracy.

[Detailed Overview](#)

Same person as [The-Chinese-Federation](#), though keep in mind they take place in separate continuities.

While it is pretty cold and the tax is high, I'd be willing to live there. Looks very beautiful and the people are nice and respectable.

Yes, I've always wanted to live in Antarctica. The only thing I can think of that would make me say no is if they eat penguins

I personally use NS stats. The stats and policies more so reflect my political views than they do my personal beliefs.

Maybe? If NS stats aren't used, and the overview is the primary indicator of national policy, that is.

Dictator-backed dedication to absolute civil freedoms, ultrabureaucratic pseudo-socialism and heavily-armed neutrality. Fueled by PMT*/FanT nanopunk schizotech, eldritch red tape and snazzy neo-cold war aesthetics on a broken continent.

❑ **Factbooks are currently in the middle of a Big™ Rewrite™, almost everything's out of date and ugly. Don't read them.** ❑
