A fairly normal democracy, yeah I guess.

Heavens no, but the aesthetic is fantastic.

Planet: Venus of Sol, the second world from its star; after 300 years of terraforming.

Landmass: Continent of Ishtar, northern hemisphere, temperate; rainforest in the south and steppe in the north.

Government: Council of People's Commissars; Communist Party.

Economy: Centrally planned universal-access public services; socialism

No

I don't stand with Ukraine. I don't stand with Russia. I don't stand with the US, NATO, or EU. I stand with the innocent civilians being caught in the crossfire while the politicians, the media, and weapons manufacturers continue to stoke division and conflict in their geopolitical chess games and treat the people of Ukraine as mere pawns. Zelensky is a corrupt, opportunist oligarchic politician who is not fit to lead Ukraine through anything and wants to inflate his own ego and offshore accounts.

My first reaction was an enthusiastic yes, but then I saw that the death penalty is still being used there. I suppose I still would though, it seems like a great place apart from that.
