Born out of unrest, North American destabilization, and civil war within the United States, the Free Republican Union is a rebirth of the American ideal and frame of mind through Republican principles and values. I don't use NS stats.

Imperial States of Duotona

Duotona is a nation nestled in the Pacific Ocean. Marked by the scars of its bloody past, the
people of Duotona persist and have given the nation a voice from which it preaches the word of
peace and democracy across the globe!

Nation reflects OOC views. NS stats are sent to the shadow realm.
