"Stick to the pack, and the pack will provide."

We are a leftist nation that believes in the "we" over "I". That's why we are fond of wolves, because the Alpha looks after the pack.

Stick with us, and give us loyalty, and we'll do things that benefit you, and we'll stick with you.

If you cross us, however, then as a pack, we will hunt you.

Don't underestimate us.

I have moved this nation to the [Silver Commonwealth](#), just like Frievoik did with Asmundia, as too many people seemed to confuse the old name with new one.

I am an internationalist, geolibertarian anarcho-futurist with syncretic egoist and Marxist tendencies. I consider authoritarianism to be intrinsically and irrevocably evil regardless of the authoritarians' intentions or economic inclinations. I do not recognize any law, government, border, or claim to private property.

I don't believe in kink-shaming unless your kink is submitting to the state.
