Hashpipe by Weezer. Definately my favorite Weezer song.

I just want you to please note that any knowledge I show throughout NS is based off of a 3rd grade education. All this means is that I probably know absolutely nothing about any subject I post about.

Hjartaiooad Hamast bamm bamm bamm bamm, Sigur Ros.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.
