I think I've said this a few times before, yes if I wasn't paying taxes. I apologise if there's a factbook I haven't seen where you RP that out or something.

Probably best to live under them than live under there colonial rule, but I will admit the pictures of the highly advanced society (probably for the rich) did sell me on the idea. Though the Military Liberators Party does scare me a little bit.

**Kabzeel**, meaning "God's Gathering" in hebrew, is a *federal, dominant-party, socialist(non-marxist)constitutional monarchy* with a rich Jewish heritage dating back to it's creation in 845 CE. Today, it spans almost the entirety of Eastern Europe and is the largest predominately Jewish and female-led state in the world as it follows the doctrine of "*Royal Socialism*", a paternalistic conservative ideology with an emphasis on socialization, social ownership, and conservative feminism. Its relationship with Israel is noticeably rocky, but this is due to the ongoing complications between Kabzeelian and Israeli Zionism.

Skyhooked is MT/PMT with a few FT elements. Military is factbook only. NS stats are mostly non canon.
