Claimed Post? Here's Why

No offense, but even when you claim a post, there is some expectation that it should have some quality. Also, I get that it's unfair to expect people to be quick typers, but it's also unfair to expect someone to have to check up on your post to see if you even remembered to edit it. No one likes seeing that they got a 'claimed' reply, and then finding out, hours later, that the person forgot or so.
