Penguin dialect of Spanish. This dialect is primarily spoken by more educated Penguins.

"We won't be taxing, bureaucratic hypocrites forever!"
We're currently fighting a just and not at all drawn-out war in the Senora Wasteland against the Roman cosplaying enslaving scumbags known as Caligulas Legion! Suck it and die from your 'headaches', you bald b*stard.
Are you aggressively coked-out? Do you join regions for no reason? Do you like copious amounts of drugs, eating Mexican food from taco trucks and the searing hot desert sun? Join Calexico and Mexicali then, moron.
Do you too wish to patrol the Senora, almost making you wish for a nuclear winter? If so, consider joining our Embassy Program

So, is India and Pakistan about to nuke themselves over Kashmir? Tbh that makes sense the two hate each other and have been arguing over the territory for decades.

At the tail end of the German Invasion of Vesemia, as a last ditch effort to get the Germans out, a large tank in the workings was deployed. It was very large and square shaped, intended to be used with four drivers, and had several hastily welded turrets on it. They brought it up to the northeastern shoreline several German destroyers have been docked and fired one shot, which was severely over fired and took out on boat immediately. The Germans then realized that it'd be best to leave, and the tank fell apart shortly after the withdrawal. You can see what's left of the tank in the Rukola National Arts and Knowledge Museum in the criminally small military history exhibit.
