Not popular or well known. They seem very very very new, and I've never seen them before.

I feel like I recognize them but I don't see them very often.

Moderately well-known? Like the Croatia of the NS Forum world

Extremely well known on F7, not too much on other forums though. The nation itself was founded a bit later than me, but the user has been on NS since 2016. This nation posted a while on the forums in August, and then probably CTE'd, just like me, though mine occurred a bit earlier. They also returned to activity along the same time as me, in April this year. Anyways, just wanted to give this out once lol.
