Not all NS stats/policies may be used. NOTICE: Factbooks and Dispatches are mostly outdated. [See here for more info.](#)
Accidental policies: Marriage Equality. I blame nsindex.net for not mentioning that part in no. 438 even though common sense dictates that I should have figured it out myself

If I had to move, sure, it seems rather nice. Although that being said, I would be rather concerned about moving to a country whose leader is personally against same-sex marriage.
