Monkey 1264 got up on the wrong side of the bed. Because he did that, he walked straight into the wall and got stuck between the bed and the wall. He died alone and afraid.

I **cannot** take any music later than 1980, with a few exceptions.

Politics

Resident NS proghead.

I annoy myself by blindly restating opinions already said in the quoted post with minuscule changes.

Monkey 1261

by **Quel-ah** » Thu Mar 10, 2022 10:19 am

Monkey 1261 thought it would be a good idea to hijack a Boeing 747 on November 24, 1971 and demand a ransom. Turns out, it was a good idea, but he most likely died soon after.

Monke 1262 farted, but he didn't heed the doctors advice, which was to never trust a fart.

Then, his whole house was flooded with shit and he drowned in it.
