- Snowland / the Snowish Republic -

Snowland, officially the Snowish Republic, is a country located in Northern Europe. Snowland runs on ~~democratic socialism~~ potentially the DOTP, unsure if that terminology is right. I'm not sure what I'll do with the Snowish Republic yet. Snowland is one of the nations of the world where there are both humans and anthropomorphic animals, and the nation is considered to be the best in the world when it comes to treatment of anthropomorphic animals. If men were angels, no government would be necessary. If angels were to govern men, neither external nor internal controls on government would be necessary. In framing a government which is to be administered by men over men, the great difficulty lies in this: you must first enable the government to control the governed; and the next place, oblige it to control itself.

Okay BN, you have a tough choice here, and there's NO GOING BACK once you choose, so here are your options: Will you choose the Communist party or the Communist Party?

We are the Union of Soviet Socialist Republics but in an alternate dimension. In our dimension, the Cold War is still going on and we've reformed our

government similar to how China did, though we still kept the command economy.

NS-Stats are not officially used in RP, though I do tend to look after them just for fun.

Please know that my nation does NOT reflect my ideals, I am not a communist in real life, I just like history.
