I am letting this nation die. I may or may not return after a long fucking while. I need a break from all the LYING AND CHEATING.

Oh, wait. That'll probably continue. I'm gonna pretend it's not happening, then.

Travel is Dangerous, Mogwai.

it's true you know.

we, unlike the bourgeoisie, have nothing to lose and therefore our expression will be the only honest one, our words will be the only challenging ones and our art will be the one revolutionary expression. We need new noise and new voices and new canvases to become something more than the last poets of a useless generation.

Henry Fiol who is originally from NYC singing "Oriente". Recording is modern but song is old but it still swings. ☐

Video - <http://www.youtube.com/watch?v=Bl7Wb8OanuM>

"Oriente" use to be a very large province at the Eastern end of Cuba which was divided in 1976 into smaller provinces. Guy who wrote the song a long time ago must have been homesick for his province.

Old Map before the split.
