Alright, I'm calling some paramedics for some additional help for Elfili-wait, I live in the US, and it costs 3 grand for some extra help. Welp, whatever happens to my nearest bank is on the American healthcare system.

Beliras, you still got that money that Pen owes you? That might make my Smiling Friends reference be unfunny.

**Sons of Liberty** - On 2121 in the Commonwealth of Columbia: Finance has become consolidated, people escape to virtual realms for the perfect world, parasocial relationships with machines forms, eugenics has returned and algorithms shapes every part of human perspective in an America stripped of its identity by their Europan overlords. However, a few bands of patriots have taken upon themselves to restore Americana idealism in an age of ironic cynicism after seizing Earth's last remaining nukes. Trying to make them remember America and casting a sword of Damocles over Europe from the oil rigs and bunkers scattered throughout whilst engaged in a memetic warfare over ideals.
